Last Week's Speaker

Last night we had the privilege of hearing from Matt Lane, who is the Complex Manager at Bunnings Coburg for the past 2 years. Interesting to hear the commitment to the local community by Bunnings. Certainly, inspiring presentation.

We then heard Stephanie Hodgson, who is the Bunnings Coburg Activity Organiser & her commitment to our local community!

Again, an inspiring organisation that will certainly assist us in our community service.

Thank you Bunnings!

Dear Rotary Clubs across Australia,

In 2023, the NYSF Year 12 Program will again deliver a mix of interactive digital and in-person sessions between 10 & 24 January. We have volunteering opportunities in Brisbane, Newcastle, Sydney, Canberra, Melbourne, Adelaide, and Perth, from 16-19 January. Volunteering with the NYSF ensures our students get to make the most of their time on the Program. In turn, you will get to meet and spend time with the next generation of STEM experts, while visiting some of Australia's most cutting edge STEM facilities.

We appreciate your completed expressions of interest by 18 November, so we can onboard you and provide all our volunteers with online training and information sessions ahead of January.

THIS WEEK'S CELEBRATIONS:

Pascoe Vale Rotary @ work

Last weekend, Steve and Colin (under the very watchful guidance of Gerard) carried out some repairs to the Glenoak kindergarten.

After completing some repairs to the Cubbyhouse, it was on to the sandpit.

Well Done Gents!

On Cup Day we had our Bunnings BBQ and what a day. Nearly blown away, by rain and then hail, but we survived. Lots of laughs were had.

I would like to thank Colin, Bruno, Kevin, Lois and Steve for their help on the day. A very big thank you to Bruce and Denise for staying back to lend a hand.

Total profit for the day

\$2487.20

The donation tin took \$50.50

Next BBQ 27th December.

YES, I'LL SHAVE IT OFF!

Hi there,
I'm raising much-needed funds for prostate cancer, testicular cancer, mental health, and suicide prevention.
Men die on average 6 years earlier than women. But together we can change that.

Donate via myMo Space, here:

<https://movember.com/m/14802627?mc=20> – for all the dads, brothers, sons and mates in your life.

Stop men from dying too young.

YES! I'LL SHAVE IT ALL OFF!

Baby Formula for Nourishing Neighbours

Recently, we received a call for help with the supply of baby formula.

Pleased to report that our donation was greatly appreciated

Hey! We got the formula today!

Got them for a fraction of the price so heaps of \$\$ left over for more 🍌🍌🍌
Will do a post later

Dear Member,

It is with great regret that unfortunately, the 2023 District Conference committee has made the extremely hard decision to CANCEL the 2023 District Conference scheduled to take place 17th - 19th March 2023 at Deniliquin.

The main reason for this decision is the critical shortage of available accommodation. It seems that another major event scheduled for that weekend has booked out the majority of Motels in Deniliquin

This in conjunction with the low level of registrations at this time has meant we are unlikely to be able to stage a successful conference.

This provides an opportunity for members to spend the money saved to attend the Rotary International Convention in Melbourne during May 2023.

Kind Regards

David McPherson
District Governor D9790 (2022-23)
