Presidential Decree – 9th February 2023

Hi Rotarians, Friends of Rotary, and Kind Sponsors! I do hope you & your families & friends are all well.

It has been a rough week in our household. We lost a young cousin to colon cancer. Andrea was 34 years old & no matter what was tried, surgery, radiation, chemo, nothing worked. May he R.I.P. However, even with a heavy heart, forward we must go.

We also take this time to pause & give our thoughts & support to Turkey & Syria for the devastating earthquake that has left both countries with huge losses of life. Thankfully we are Rotarians, who even as we speak, are already involved in rescue & support services on the ground.

As a PR exercise, I need as many Rotary magazines as I can get my hands on, no matter how old. Please have a look around your home, & bring them to Rotary or drop them off at my home! Thank you.

As always,
Yours in Rotary Service,
The Prez
Bruno D'Aprano PHF

Last Week's Meeting

Thanks to Lauren, Darcy and Reggie who gave us an enthusiastic review of their RYLA experience. Beginning with Darcy, ably assisted by Lauren, Darcy described the week as a powerful, challenging, eye-opening, and intensive experience that empowers the attendee.

Reggie followed with an audio-visual presentation of one of the activities.

Thanks for the presentation, it was an eye-opener for us all.
